Attending summer camp is a great way to make new friends and spend the summer. Our dance and musical theatre camps are packed with dance, song, theatre and fun! Disciplines of ballet, jazz and musical theatre will be offered in addition to creative play through arts & crafts and games. Campers will spend the majority of their afternoon preparing and rehearsing for their end of week performance for friends and family. Our full day camps are for children ages 6 and up with or without previous dance experience.
